About Netgem

Netgem is a technology and services provider for the video entertainment industry. Netgem's activity revolves around two product platforms : upstream, services to entertainment content publishers grouped under the Eclair brand and downstream, the management of Streaming services, which offers content and technologies to telecom operators under the PLEIO brand. The common objective of the two product lines is to help our customers provide entertainment offers accessible to all, as reflected in the Group's baseline "everyone's entertained".

NETGEM shares are listed on Euronext Growth (ISIN: FR0004154060, Reuters: ETGM.PA, Bloomberg: ALNTG FP).
