About Netgem

NetgemTV allows personalized access to the entire streaming video and television offer on all screens in and outside the home, through a single application. This service is marketed directly to consumers, or through partnerships with fiber access operators.

For a family, NetgemTV is the guarantee of paying only for the television that everyone wants to watch, while having the freedom to choose the fiber offer that suits them. Thanks to its SuperStream option, NetgemTV greatly improves WiFi coverage throughout the home. For the operator, Netgem provides access to an innovative offer, designed for new uses and enhancing the promise of fiber; with an economic model without investment and aligning interests with the satisfaction of the end customer.

Netgem is listed on Euronext Growth.
