

Netgem significantly expands premium sports offering
with launch of DAZN

London, UK – 16th June 2025 – Netgem today ignites the European sports scene, announcing a partnership with the world's leading sports entertainment platform, DAZN.

It's a huge win for Netgem operator partners in the UK: since 14th June, all FIFA Club World Cup 2025 matches are streaming live and FREE on DAZN - creating a massive opportunity to boost TV sales and electrify customer engagement across all markets.

This powerful collaboration supercharges Netgem's already impressive access to 50+ free live sports channels in the UK, alongside access to a broad library of 250 other channels and sports apps (e.g. Amazon Prime Video, NOW Sports, and Discovery+ TNT). With DAZN on board, Netgem TV now offers 100% of premium football in the UK, Ireland and Gibraltar.

With DAZN, fans also gain access to top-tier multi-sport action including NFL Game Pass, National League TV, FIBA Courtside 1891, major boxing events, MMA, darts, golf, motorsports, and tennis. Netgem is proud to bring DAZN's arsenal of premium sports directly to Netgem TV customers such as TalkTalk, Community Fibre, Wightfibre, and BRISK.

"This is a game-changer for sports fans," said Sylvain Thevenot, Managing Director of Netgem Pleio, Streaming services for Operators. "Partnering with DAZN catapults our entertainment offering to a new level for both our customers and telecom operator partners across Europe. Access to world-class sporting events like this will undoubtedly drive massive customer engagement and satisfaction."

Peter Parmenter, EVP Business Development at DAZN, said: "This is great news for sports fans in the UK, Ireland and Gibraltar, who will be able to enjoy DAZN's extensive selection of premium sports content in even more ways. We are excited to enter this partnership with Netgem, as we continue to set the standard in digital sports entertainment experiences."

The DAZN app has been available on Netgem devices in the UK, Ireland and Gibraltar from 6th June 2025, and in France (both Mainland and La Reunion) from 13th June 2025. Just in time for the FIFA Club World Cup 2025!

About Netgem

Since 1996, Netgem has been a provider of technology and services for the video entertainment industry. The company operates across two key sectors: Streaming Solutions – delivering content and technology to telecom operators and Media Services – supporting rights holders in preserving and monetising their assets. Both divisions share a common goal: helping clients offer accessible entertainment to everyone, in line with the company's tagline, Everyone's Entertained.

Netgem is listed on Euronext Growth (ISIN: FR0004154060, Reuters: ETGM.PA, Bloomberg: ALNTG FP).

About DAZN

As a world-leading sports entertainment platform, DAZN streams over 90,000 live events annually and is available in more than 200 markets worldwide. DAZN is the home of European football, women's football, boxing and MMA, and the NFL internationally. The platform features the biggest sports and leagues from around the world – Bundesliga, Serie A, LALIGA, Ligue 1, Formula 1, NBA, Moto GP, and many more including the 2025 FIFA Club World Cup.

DAZN is a global, privately-owned company, founded in 2016, with more than 3,000 employees. The Group generated \$3.2bn in revenue in 2023, having grown its annual revenues by over 50% on average from 2020 to 2023, through diverse revenue streams comprising subscriptions, advertising, sponsorship, and transactional. For more information on DAZN, our products, people, and performance, visit www.dazngroup.com.
