

Come and meet us at IBC2022 in Amsterdam

A promotional banner for Netgem at IBC2022. The banner features the Netgem logo in the top left corner. Below it, a white box contains the text 'Come and meet us at IBC2022'. The main body of the banner is orange and contains the text 'INTRODUCING' in large, bold, dark blue letters, followed by ''CONTENT-AS-A-SERVICE'' in smaller, bold, light blue letters, and 'FOR OPERATORS AND MEDIA' in smaller, dark blue letters. In the bottom left corner, a dark blue box contains the text 'HALL 8' and 'NO. 8MS3' in white. In the bottom right corner, a dark blue box contains the text '9 - 12 September' and 'RAI AMSTERDAM' in white. The background of the banner is a dark blue image of a modern building at night, illuminated with blue neon lights that form a large, stylized 'N' shape.

Come and meet us at IBC2022

INTRODUCING
'CONTENT-AS-A-SERVICE'
FOR OPERATORS AND MEDIA

HALL 8
NO. 8MS3

9 - 12 September
RAI AMSTERDAM

Netgem will be attending the IBC Show in Amsterdam, Sept. 9-12, Find us Hall 8, Meeting Suite 3.

As the world's most inspiring content and technology event, IBC's vision is to empower content everywhere. Since 1967, IBC has been an event delivered by the industry, for the industry. For professionals, it is a chance to engage with the entire industry, unlock business opportunities, discover the latest innovations and explore the exciting world of content.

So whether you are a Telecommunications Operator looking to boost their offering with TV and WiFi Mesh, or a Content Holder eager to distribute their content across Europe we will keep you a seat in our meeting suite!

We are looking forward to meeting with our customers and partners face-to-face again, and to show them our latest innovations, and solutions updates.

Join us in Amsterdam on the Netgem Hall 8 Meeting Suite 3 from 9th to 12th September for IBC 2022.

Can't wait until September? Book your meeting now.

About Netgem

Netgem enables through its “Netgem TV” service personalised access to a comprehensive lineup of TV streaming services on all screens in and outside the home, through a single application. This service is marketed directly to consumers, or through partnerships with Internet Service Providers (ISPs). For viewers, Netgem TV is the guarantee of paying only for the best of TV, whilst having the freedom to choose the fibre broadband offer that suits them best and to pick additional streaming services, on their terms. Through its SuperStream service, NetgemTV also greatly improves WiFi coverage throughout the home, and optimises all Video Streaming. For the ISP, Netgem TV brings access to an innovative service, designed for new viewing habits and delivering on the promise of ultrafast fibre broadband – all with a Capex-light and “pay as you grow” business model aligning interests between the ISPs and Netgem TV with a particular focus on customer satisfaction.

Netgem is listed on Euronext Growth. (ISIN: FR0004154060, Reuters: ETGM.PA, Bloomberg: ALNTG FP) www.netgem.com
